# SolutionBankFraud.com (space) client3635.wix.com/SolutionBankFraud

Two simple methods eliminate 99.9% of all criminals and con-artist ID theft Lucifer deceivers who steal OUR identities to conduct crimes at all levels of society from Presidential levels down to street level hoodlum pick pockets (OH it was not ME denial. ! You can never prove anything, it was THEM ! )

Everyone MUST deliver these today to our PRESS, Presidents, Top Financial banks, Stock Markets, Central Banks, SecurityExchangeCommissions, and focus on World Televised Press Conferences to show how CreatorKeith.Space highest power methods are the ONLY way to achieve total world global peace.

The root basis for any crime is 1. STEAL, 2. LIE, 3. HIDE, 4. Recruit others to repeat above 3 so crime founder goes to the top as King of all Titans.

Identify Theft is as simple as signing another name, photoshopping their Identify, stealing their SS, DL, Passport, VISA, medical records, literally anything that uniquely identifies each of us. With FOIA.ONE everyone now knows WHO is WHO, WHO owns What, Who Trades WHAT with who/when/where/why so no IDENTIFY theft is possible. Once we eliminate all paper based documents, void and nullify the need for any paper currency fiat and related paper signed contracts, we all live in a paperless, all digital, AIS is Artificial Intelligence Singularity now that all electronic devices are smart cluster grid interconnected using Keiths original design system modeled IBM Datatrade , all free electric power system that is 99.5% CRIME FREE. Only the stupid idiots who think they can steal and hide would dare violate basic human rights to SPEAK the FREE TRUTH, to face any accuser in OPEN PUBLIC TV Forum COURT at NO COST to the victim. This also eliminates all the LIAR Lawyer Lucifers who hide behind Limited Liability Partnerships, and Claim Client-attorney Privilege and can SAY Anything in court knowing absolutely NO ONE will sue them for slander, libel, and obstruction of Justice.

#1 **kPIN IS REVOLUTIONARY** easy to always deploy solution using following easy ONE step method.

**KPIN is the new branded word** for world to use as new world universal standard.

Step 1. For any transaction of any importance, each person is required to use electronics to send their NEXT rolling PIN # to their highly secured Computer kCheck computer server using the NEXT PIN number sequence to receive back 1. YES it is indeed YOU, who you say you are. GO AHEAD. You are authorized. Or 2. LOCKING your account, YOU are a FRAUD We have your video photo and know exactly WHO YOU ARE. You can Never HIDE, Never Escape, our people are searching for you right now, so surrender at the next Police station so you will not be video GUNNED down in our streets. (slight humor, yet required to get YOUR blinded attention).

If the SAME rolling PIN number is used twice, or if entered incorrectly, OUR account is LOCKED and the violator is immediately sent to prison if not the auto face recognized authorized user(s) of that single account.

The list of sequenced rolling PINs is only generated by YOU alone = We the People and safely deposited in the highly secure computer named TheTruthVault, part of the FOIA.ONE new world free will market society [UNlocracy.org](http://UNlocracy.org) Your Master PIN and other ID information is never used unless to reset your list using #2 method below.

**#2 This one revolutionary OLD method** will outrage any criminal at any level of society, including the financial software titans who claim THEY have the only solution to secure any financial transaction. Another super Lucifer LIE to sell billions of USD worth of infiltrated solutions with focus on [AgileLaw.com](http://AgileLaw.com) and [Illumi-Corp.com](http://Illumi-Corp.com)

Each time we make any transaction of financial importance, including signing anything that is truly legally binding and enforced contracts, follow these most critical world saving steps.

KVIDEO is the new branded word for world to use universally. **video based authentication authorization.**

1. **For ATM style transactions using existing PhoneCradle IseeStand (t)©(™) Patents 2009 -2012 TurnOffLights.space** all digital interconnected systems of FREE fiber optic kNET, + Webcam/ speaker/microphone (or equal Programmable Logic Device including any smartphone).
2. **At point of transaction sale/buy/transfer, we go online, and state in front of the video recorded camera, I \_our full name\_ + identifying items\_. Are requesting the transaction of \_\$\$\_ from account number X transferred to account number Y. Please back office confirm I am who I say I am. If required, please bring my authorized co-signers and representatives ON LINE Video chat for them to also authorized this one transaction.**

This eliminates all con-artists, ATM thieves, pick pockets, email/ knet/ Postal mail and even Street level scams as the best Lucifer Masked Actors are some of our very own Corporate Executives who DANCE on the stages with almost nude prancing and grating giraffe celebrities saying "We are HERE to PROTECT YOU, We are here to make you rich and wealthy like we are. " Just do as we say step by step. BUY more, Borrow more of YOUR hard earned money from your very own BANK, Pay more taxes, make sure you sweep your own streets and take out your own garbage, Make sure you play the LOTTERY as everyone wants their kids to be highly educated with just FREE TUTITION. Never mind the Wizard of Oz man standing behind the smoke and dagger screens back stage. He just handles the AudioVideo system so we can BROADCAST to all exactly how to overthrow your victims.

Everyone else we minister to have turned out to be LUCIFER agents, only thinking only about their own arrogant driven self entitlement ability to scam, con, and convince others how THEY are the only ones with the leadership to make their victims responsible, loyal, trustworthy, and DO AS THEY COMMAND.. SO TRUE... it requires no Binary B answer of FALSE..

**Keith**

We Already delivered absolutely EVERYTHING to WORLD and all banks, as these two OLD existing solution methods eliminates 99.5% of ALL cyber crimes at point of transaction. This has always been the 'HOLY GRAIL' of IOT online digital barter exchange system to eliminates need for almost all banks, wire transfers, and possibilities of cyber crimes at all levels. Now deposits into Savings Accounts will earn ~5% interest, and loans made for ~ 6%, even LOWER when all banks go into competition since NO MORE FRAUD DEPARTMENTS needed and NO NEED to COVERUP the electronic thefts of YOUR assets and Intellectual Property. GO TO our TOP CEOs , WORLD LEADERS, and PRESS for THEM to be International Heros of protecting OUR assets.

Updated last time April 20, 2020, my **FOIA.ONE** DOB and IID 1-19580815-1 Forefounding father of YOUR new world society who has been persecuted since Jan 15, 2008 because he alone exposed ALL crime networks all over Mother Earth.

Stops and prevents ALL world ID Theft, Cyber Crime, scammers, Terrorists, criminal bank wire transfers, theft of any banking financial trade account data and passwords, and all other Identity thefts with ONE single universal standardized solution. This singular answer method is trademarked and copyrighted by **BuiltByKeith.com** Duncan. This one gifted to world Solution PREVENTS all cyber crime at all levels, thereby preventing ALL financial crimes at ALL LEVELS, including theft of the root database password and back door internet infiltration that bypasses ALL levels of super security. All Banks and financial institutions now use this one unbreakable communications protocol to prevent ALL data theft. All linked to eVOTE.ONE to put all criminals in PRISON in record time with FOIA.ONE. This is what the super criminal **TheFinalTerrorist.com** Robert Dee ROSE (DOB 1971-April-01) has done for +12, even 20 years.

**THE MASTER KEY is:** Each person now uses their master PIN number only when challenged. Each person uses their own rolling list of pre-sequenced PIN numbers that are automatically verified against one secured computer database list. This computer only responds to verify queries with APPROVED or LOCKED account. This verify computer is separate from the computer databases that hold the critical database information. Only the customer and one highly secured bank computer using Block Chain know the NEXT matching sequence number. If anyone uses the same or wrong PIN number, the accounts are automatically locked and the customer and bank financial fraud department is notified. This applies to signed Contracts, Bank Checks, ATM withdrawals, Security checkpoints, and all other points of sales transactions. The addition of auto face recognition Cameras and VIDEO with sound prevents 99% of all forced under duress crime scenarios. All criminals will avoid cameras like the Black Plaque once they know their arrests are seconds away. This system can easily be expanded to red light/siren/Voice notification all persons nearby that a crime is occurring real time.

The most massive reduction is use of ATMs, waiting in horrible lines to cash paychecks worldwide, tellers having to call signatures of checks and documents to verify not forged, and the eliminate of ALL FOR-EX (foreign Exchange ) systems with bypass replacement system of **SolutionPeace.com/kbitcoins, and FinalStockMarket with ProfitShareholders** that empowers all employees and stockholders to VOTE on WHO are their corporate Executives/management and their own benefit packages. All solutions benefit all of Mankind.

This one solution was started year 1995 and perfected in year 2009. This was already delivered to hundreds of CEOs, PRESS, Stock Market, Bank executives, and public. Absolutely NO ONE has ever PAID Keith Duncan (like Telsa) for his mega billion \$\$\$ valued Intellectual Property rights and hired Keith with client3635.wix.com/BidOnKeith to teach our world leaders and citizens how to SOLVE each and everyone of humanities vice sin crime driven conflict issues. Everyone must join **CEOSPACE.NET** shown on **SolutionManifesto.com**
